

TEAM CHARTER

ACH EFS Leadership Team

Our Purpose: To lead and facilitate the development of collaborative, interprofessional teams to support delivery of patient & family centered, evidence-based care in pediatric eating, feeding and swallowing at the ACH and in partnership with community providers. To foster an environment of ongoing learning, improvement, sharing, mentorship and support to ensure excellence in collaborative practice.

Our Values:

Our Value Statement:

We will demonstrate in words, actions and behaviors our:

- unity in working toward a common purpose;
- shared commitment, responsibility and accountability;
- collaborative culture and team functioning;
- engagement with EFS teams and community partners;
- drive to improve outcomes for patients and families receiving EFS care at the ACH.
