# Pediatric Eating And Swallowing website (<https://peas.ahs.ca>)

## Criteria for posting Courses, Webinars and Websites

# Criteria for posting Courses & Webinars on PEAS Website

- **Subject Matter Expert opinion** (Alberta clinicians in Pediatric EFS)
- **Applicability to PEAS population** (Ambulatory and/or helps with transition to Ambulatory)
- **Presenter of the Course** (credentialed and actively practicing health professional)
- **Content of the course was updated within the last 5 (to 10) years**

# Criteria for links posted on PEAS Website

- Recommended by a **Subject Matter Expert** (Alberta clinicians in Pediatric EFS) and has been personally vetted.
- **Applicability to PEAS population** (Ambulatory and/or helps with transition to Ambulatory) - eg: would remove MaryAnn Jacobsen. For example, this could be put on the PEAS CoP.
- **Date website content was posted** (active and updated within the year)
- **Written by an expert in the field** (credentialed and actively practicing health professional)
- **Link to a website that is without commercial intent** (not blogs) - consideration may be given for books written by the author of the website.
- Fits with **Canadian standards of practice** (eg: CSA approved for equipment)
